

## AS-SPKR-18 ANTI-THEFT SPEAKER MOUNT

 SALES 866-839-9187

### PRODUCT OVERVIEW

The Helios Anti-Theft Speaker Mount protects your audio investment by securing the speaker to the mount, which can be attached to the wall or ceiling. The mount features a 90-degree tilt range and 360-degree rotation to allow the speaker to be adjusted for optimal sound positioning. A steel security cable is included to secure the speakers to the mount. The mount can hold up to 32lbs and has a 5.5" profile. This product is ideal for use in restaurants, businesses or for homeowners looking to mount and secure their speakers.
