HDM-EDIDB
User Manual

ethereal

The HDM-EDIDB was designed with one purpose in mind; and that is to allow the distribution of a Security DVR/ NVR HDMI video output to multiple displays.

The HDM-EDIDB will NOT work on any standard HOCP enabled device.

Installation:
Plug the HDM·EDIDB into the HDMI output of the NVR/ DVR, connect an HOMI3 cable between the and your HDMI splitter.

NOTE: You must select a resolution on your NVR/DVR that is common to all of your displays.
